

violence of war. They know that we need to support diplomacy and development to avoid future catastrophes.

Our united effort must continue in FY 2018, but the President's budget eliminates the Food for Peace and the McGovern-Dole programs, and reduces funding for disaster assistance. I only hope President Trump and Secretary Tillerson will come to their senses. We must not stand by and watch millions of children and families literally starve to death. We must act, and we must lead.

BUDGETS ARE ABOUT PRIORITIES

(Ms. PLASKETT asked and was given permission to address the House for 1 minute.)

Ms. PLASKETT. Mr. Speaker, today the President put forth his budget proposal. The budget includes roughly \$2.5 trillion in cuts to programs that help struggling families and elderly and disabled people afford the basics, like putting food on the table, keeping a roof over their heads, and affording healthcare.

The Supplemental Nutrition Assistance Program, SNAP, would be cut by \$192 billion over the next decade. Medicaid, the health program for the poor, would be cut by \$800 billion. TANF, Temporary Assistance for Needy Families, would be cut by \$21 billion. In 2014, 20 percent of the population of my district, the Virgin Islands, received SNAP. SNAP feeds primarily poor children. In 2013, 19 percent of Virgin Islands' children were covered under Medicaid. Another 27 percent went without any health coverage at all.

Mr. Speaker, budgets are about priorities. Unfortunately, our President's priorities are clear: more tax cuts for the wealthy taking precedence over ensuring that poor children have enough to eat, that people with physical and mental disabilities can make ends meet, and that low- and moderate-income Americans have access to healthcare. The budget would make inequality and poverty significantly worse, while allowing deficits, when honestly measured, to soar. Mr. Speaker, we must reject this budget.

HONORING THE HEROES OF OUR ARMED FORCES

(Mr. YODER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. YODER. Mr. Speaker, I rise today ahead of Memorial Day next week to honor the heroes of our Armed Forces who have made the ultimate sacrifice and service to our Nation and to thank their fellow soldiers, sailors, airmen, and marines who were blessed to make it back home to their loved ones.

From the Revolutionary War through the war on terror, more than 1.3 million Americans have given their lives protecting our freedoms. Today, Con-

gress is honoring those lost by passing several bills to help protect our surviving veterans and ensure they are treated with the dignity and respect they have earned. Our bills will ensure that the VA medical centers are meeting compliance requirements, help veterans have better access to nursing home care, increase the rates for veterans' compensation for service-connected disabilities, and more.

Mr. Speaker, I can think of no better way to celebrate Memorial Day and honor the memory of those lost than by helping our Nation's veterans, who have sacrificed so much to help keep America safe. I urge all of my colleagues to support these measures today and our veterans each and every day.

BIG TALK AND BROKEN PROMISES

(Mr. SOTO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SOTO. Mr. Speaker, today we have a new Trump budget and more broken promises. If you recall on May 7, 2015, the President said: "I was the first and only potential GOP candidate to state there will be no cuts to Social Security, Medicare, and Medicaid."

Broken promise number one. His budget cuts Medicaid, it cuts Medicare, it cuts Social Security.

In The Washington Post on January 15, 2017, the President said: "We are going to have insurance for everybody. Much less expensive and much better."

This broken promise number two is that he cuts \$1.4 trillion out of healthcare and covers 24 million less people, jacking up insurance rates for countless others.

Broken promise number three to the Farm Bureau at ag.com on April 24, 2017: "I support a strong safety net for our Nation's farmers." Yet he cuts \$50 billion over 10 years from farm subsidies, including critical citrus greening research dollars for central Florida, where I represent.

Then on September 28, 2016, The Washington Times, he says: "I will be the greatest President for jobs that God's ever created." He is cutting the National Institutes of Health, critical research dollars by \$5.8 billion, cutting NASA by \$200 million, cutting National Science Foundation by \$776 million. We see big talk and broken promises.

GENERAL LEAVE

Mr. WOODALL. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

Mr. WOODALL. Mr. Speaker, I found myself listening to the Reading Clerk as he read through the rule. It is a fairly straightforward rule, but it sounded pretty complicated as he was going through it. And I am reminded that
